## **SCHEME OF DELEGATION TO COMMITTEES AND OFFICERS**

### **A General Provisions**

- A1 This Scheme of Delegation is made by the Yorkshire Dales National Park Authority under Section 101 of the Local Government Act 1972. Any Committee to which powers are delegated may sub-delegate them to a Sub Committee or Officer of the Authority. Any Sub Committee may also sub delegate powers to an Officer. Any officer to whom powers are delegated may authorise other Officers, in writing, to exercise such powers on his/her behalf.
- A2 Each Committee shall be authorised to appoint Members to Sub-Committees agreed by the Authority and to delegate its powers and duties to those Sub-Committees.
- A3 Powers delegated to any Committee, Sub-Committee or Officer of the Authority shall always be exercised in compliance with the Authority's Standing Orders and Financial Regulations, except to the extent that they may be suspended in accordance with their terms. Conversely, this Scheme of Delegation operates to authorise Committees, Sub Committees and Officers to take actions permitted to them by the Authority's Financial Regulations. Decisions taken under delegated powers shall be made in accordance with any applicable policies and strategies of the Authority, including its approved budget.
- A4 Any Member who has a personal interest, as defined by the Authority's Code of Conduct, in any matter shall disclose the existence and nature of that interest as soon as the item in question is reached. If the interest is not a disclosable pecuniary interest within the meaning of the Code of Conduct, the Member may remain in the meeting, and may speak and vote on the matter. If the interest is a disclosable pecuniary interest, then the Member shall withdraw from the meeting whilst the matter is being considered, unless he/she has obtained a dispensation from the Standards Committee. Officers will not take, or participate in, decisions in which they have a personal interest.
- A No general reference to a power, duty, function or other matter in relation to one Committee shall include any matter which the Scheme of Delegation specifically refers to another Committee.
- A6 In the absence of the Chief Executive, the Deputy to the Chief Executive is authorised to perform any functions and exercise any powers conferred on the Chief Executive by this Scheme of Delegation.
- A7 The Authority, or a Committee or Sub-Committee, may give such direction as it considers appropriate for action taken under delegated powers to be reported periodically.
- A8 Before exercising any delegated power, an Officer should consider whether the nature of the matter to be determined makes it appropriate for the decision to be taken by the Authority, a Committee or Sub Committee, or by a Director.

A9 Without prejudice to these delegations, each Officer with delegated powers is expected to liaise in appropriate cases with the Chief Executive, and in appropriate cases to:

- a) consult with the appropriate Chairman (or in his/her absence the Deputy Chairman); and/or
- b) ensure that any Member with a local or special interest is advised of the exercise of delegated powers; and/or
- c) ensure that the Monitoring Officer and/or Section 151 Officer (Treasurer) is consulted or informed.

A10 All delegations of responsibilities, powers and functions under this Delegation Scheme include power to authorise the execution or issuing of any document, or the taking of any other action, necessary to give effect to the decision, including affixing the Authority's seal to any document where necessary.

A11 References to any statutory provision shall include any statutory modification or re-enactment of such provision for the time being in force and references to the "Chief Executive" shall include reference to the National Park Officer.
