ORDER 2019, No. 13
Road Traffic Regulation Act 1984 – Section 14(1) (as amended)**

Notice is hereby given that the Yorkshire Dales National Park Authority has made an Order, the effect of which is to prohibit any person from proceeding along part of Footpath No. 53 in the Parish of Arkengarthdale and part of Footpath No. 17 in the Parish of Reeth, Fremington & Healaugh in the district of Richmondshire for a distance of approximately 225 metres from 27 September, 2019 until 5 March, 2020 inclusive.

This Order follows emergency notices dated 5 September, 2019 until 26 September, 2019 inclusive.

The closure will be put into effect when necessary by means of the erection of notices and signs.

The alternative route to be used during the closure period will be as follows:-

From the point of closure at Grid Reference NZ 0170 0201 follow the footpath west to the bridleway junction bearing east, north east following the track passing Storthwaite Hall and bearing south easterly to join the riverside footpath turning westerly and following Arkle Beck to point of closure at GR NZ 0187 0189 and return.

The closure is for public safety due to the river cutting a new course at GR NZ 0171 0201 damaging the bridge and filling the original beck line with piles of rock. More than 130 metres of riverside path and river bank south east of the bridge has also been washed away making it impassable.
