

Corporate Volunteering

In the Yorkshire Dales

National Park

Fancy a day out of the office?

Home to stunning scenery, wonderful wildlife, rich cultural heritage and brilliant opportunities for recreation, the Yorkshire Dales National Park is a very special place.

Corporate Volunteering gives you and your colleagues a chance to make a real difference and give something back to the National Park. It also gives you a chance to get out of the office, work with your team in a new environment and get your hands dirty in one of the most beautiful landscapes in the country.

Corporate Volunteering days can be arranged to suit the needs of your group and will focus on practical conservation or rights of way tasks.

What to expect on the day!

You will be met by a member of our Ranger team who will guide you through your day of volunteering.

After an introduction on the task to be done you will have a short 'toolbox talk' to cover all health and safety aspects of your day. All risk assessments and insurances are covered, and there will be a trained first aider on site at all times.

Be prepared to get mucky and undertake a reasonable level of physical activity – but that's part of the fun and hopefully you will laugh a lot along the way.

We will provide all tools, materials and any necessary personal protective clothing for the day. All you need is to wear clothes you don't mind getting dirty and strong footwear. Bring a packed lunch and a drink, (and waterproofs in case it rains!!)

The benefits!

Employees can benefit in all sorts of ways from a day of corporate volunteering:

- Getting a sense of satisfaction from making a real difference to conserving and enhancing the National Park.
- Allowing employees a chance to get out of their normal workspace and work in a new environment as a team
- Learning new skills and building stronger teams to go back to the office
- Having a thoroughly good day out!

At the same time it helps employers to meet their own corporate responsibilities.

Donation Policy

We ask companies to make a donation to the National Park for our corporate volunteering opportunities. For a maximum group size of 10 we suggest a donation of £500.
