Dogs

Dogs are welcome at many events, but please assume they are **NOT** permitted and always contact the organiser beforehand to avoid disappointment.

Many National Park events can be reached by bus or train and our guided walks have been scheduled to link in with timetables wherever possible.

For public transport information visit www.yorkshiredales.org.uk/travel or www.dalesbus.org

Booking

Some of our most popular events must be pre-booked and pre-paid to guarantee a place.

For others, places are allocated on the day on a 'first come, first served' basis so do arrive early to avoid disappointment.

Events are bookable through our online shop at retail.yorkshiredales.org.uk or National Park Centres (see pages 6 & 7).

Be safe

Our event leaders have discretion not to accept participants who are not suitably

equipped or whom they consider unable to participate safely.

We have over 50 fantastic **guided walks** on offer in 2019. Each is graded so that you can choose one that you will enjoy, and all include stopping time for information and rests. Some of our walks are barrier free, but many do have stiles or steps.

Level 1: gentle walks at a leisurely pace on good surfaces, taking up to 2 hours.

Level 2: slightly longer walks of up to 3 hours, sometimes over rough or uneven footpaths.

Level 3: more challenging walks, taking up to 3 hours; there may be steep sections and some stiles.

Level 4: our hardest walks! Up to 8 miles long and taking up to 6 hours, these are full day walks over rough terrain, with steep slopes and stiles.

Before you go...

- Our guided walks cost £5 for adults and are FREE to under 18s (unless otherwise stated). Price includes parking for walks that start from a National Park car park.
- Wear sturdy footwear and waterproofs - walk leaders can only accept participants who are appropriately prepared for the conditions.

- Bring warm clothes (including gloves and hat) in winter and sun protection in summer.
- Bring plenty to drink and a snack, or a packed lunch on full days, and don't forget a hot drink on cold days.
- For your own safety and insurance purposes we will ask you for your name and

emergency contact details when you register for one of our outdoor events, as well as an email address for your feedback - the information will be treated as strictly confidential.

- Some of our walks are barrier free and may be suitable for all terrain motor scooters, wheelchairs and pushchairs.
